Dear Mayor Kelly,

I would like to acknowledge Director Tony Simmerlin for outstanding help and support for Parker residents. We had a tree come down during the storm and I was inquiring if it was on the right-of-way so that maybe the city would help in getting it off my tenant's vehicle.

Mr. Simmerlin said he did not think the tree was on the right-of-way but he had the city crew come and help lift it off the van and cut off many of the large limbs. Then he put us in touch with a fellow who would want the wood from the tree. THEN he had his team pick up all the branches yesterday (our pick up day is Friday) so that the lot was cleared.

I am very grateful and pleased with the response the city has made, and especially Public Works. It does seem that Parker is working for the public.

Many thanks,

Pat Nease
