Ins by: \_\_\_\_\_

Date: \_\_\_\_\_

## TYPICAL TREE LOCATION SITE PLAN

1. Please show appropriate location of trees to be removed with the symbol "X".

**Note:** In accordance with Ordinance 91-186, the City of Parker can not remove "any tree limbs and/or tree trunks over four feet in length, or greater in diameter than four inches, single items weighing in excess of 100 pounds...or trees or other debris resulting from land clearing operations." Failure to get a tree removal permit prior to cutting the tree/limbs releases the City of any obligations for debris removal. The City **will not**, under any circumstances, pick up limbs and trunks cut by professional tree cutters or pulp wooders or from the result of land and/or lot clearing.
