

**Project Title:** FDEP SRF Water System Improvements (DW030722) - \$7,026,540.00

**Sponsor:** City of Parker

**Engineer:** Anchor Consulting Engineering and Inspection, Inc.

**Contractor:** Royal American Construction Company, Inc.

1002 West 23<sup>rd</sup> Street, Suite 300

Panama City, Florida 32404

**City Officials:** Mayor Andrew Kelly

**City Council Members:** Tonya Barrow, Katy Bodiford, John Haney, Ron Chaple

**Project Description:** This project will remove and replace deteriorated waterlines within the city's service area that have been in service since the '70s. This project will also include the construction of a city-owned waterline as well as associated fire hydrants on the east side of Tyndall Parkway to help support new development as well as existing water customers. By upsizing the lines and looping the water system, this project will improve water quality for the residents of Parker.

**Funded in part by: Florida Department of Environmental Protection  
& Florida State Revolving Fund Program**
